Presidential Election.

Two weeks from Tuesday next the People of the United States will be called elected to Congress at the recent election upon to vote for electors for President 1st District George H. Pendleton, D. and Vice President. Let the Democracy 2d of every township, if they are not already 4th fully organized, immediately set about 5th completing the work of organization .- 6th Make that organization so through that every Democratic voter will be at the 9th polls. That Douglas is many thousands 10th stronger in Ohio than was the State ticket 11th at the recent election no one can doubt, 12th Take our own county, where because of 14th our huge majority the increase will be less 15th than in others, and no one questions our 16th ability to carry it by 1,000 mnjority .- 17th But, let other counties increase in the 18th " same proportion and it makes a difference 20th " of over 10,000 yotes in the State. It is 21st " your lines, make every preparation for importance a few votes may be. having all your voters at the polls and leave nothing honorable undone to ac- The Vote for Supreme Judge becomplish the overthrow of Abolitionism. tween Smith and Brinkerhoff. Keep the principles of our party before the people; explain to them that by voting the Democratic ticket

They vote for freedom in the Territories. for the same freedom which the people of sult: Ohio enjoy-the right to manage their own affairs in their own way;

They vote against those who would bind the people of a Territory, as the colonies before the Revolution were bound, to the control of a legislative body in which they have no actual voting rep-

They vote against the anti-slavery extremists of the North and the pro-slavery extremists of the South, who are arraying one section of our country against the other, and sapping the foundation of our Union;

They vote for keeping the slavery-agi tation out of Congress, and for giving that body time to attend to the great interests of the country, which are now shamefully neglected;

They vote not only for the right o every State but for that of every Territory to manage its demestic affairs in its own way, subject only to the Federal Constitution;

They vote against the interference of Van Wert any State or Territory in the domestic Wyandot Washington W. you policy of any other State or Territory; They vote to sustain the Union as the fathers made it;

They vote, in fine, for the great princi ple of Self-Government as laid down in the Declaration of Independence and em bodied in our Federal and State Constitutions.

By voting the Democratic ticket, they vote against the doctrine that would make in the Territories, by subjecting them, in their domestic concerns, to the arbitrary will of a majority in Congress;

tremendous demonstration in Boston recently.— Already New York has spoken in favor of univer-Against the doctrine that the slavery agitation must be kept up until slavery selves must strike the blow." And if colored men would have their rights, they should move for th is extirpated or the Union dissolved.

A. M. Jackson.

Another speech was made by a Mr. Jackson.-Where he came from; or whither he went when he got through, we never thought to inquire, and wa ain'tsure but we owe an apology to somebody for alluding to him at all. His speech like himself and the cronies that toated him round, was "mx," Daix."-Republican.
